“Tears & Fears into
Comfort & Laughter.”

Mary “Snooky” Fansler

“No eye has seen, no ear has heard, no mind has conceived what God has prepared for those who love him.” (I Corinthians 2:9) Thank you, God, for what you prepared for me.

Who would have thought that I would ever consider the accident that put me in Manitowoc Health & Rehabilitation Center for 100 days, to be one of the most blessed times of my life?

When I was admitted, I wasn't capable of thinking of anything but the pain I was in. That is when the nurses and CNAs took over. They were AMAZING. The staff, not only met my every need, they encouraged, loved and comforted me. From nursing staff to Administration staff and everyone in between comforted and cared for me. All of you went from being my caregivers to being my friends and family. A special thank you goes to my therapists. You convinced me I could do more than I believed. I went from being bedridden to using a Hoyer lift, to using a wheelchair and then walker. Now, at home, I am using a cane and walking on my own. I am even using my injured hand.

Thank you! You turned my tears and fears into comfort and laughter. You gave me love and encouragement. I love you guys. Thank you for answering God's call and allowing him to use you.
